But in this connection we desire to inform you that at the time of receiving this order this day at 11.25 AM. we had only 88 drums of Plaster of Paris in our stock out of which 2 drums of Plaster of Paris have been delivered to Major Green, Baird Barracks, Bangalore, according to your order No.1005/W of 12.8.42.

Now we begó to inform you that our retail sale of Plaster of Paris is to most of the dentists in South India and their dependance will adversely be affected and they will suffer of loss of business due to not receiving the plaster of Paris from us. Dear sir,

I beg to request you to kindly permit Messrs Dr. Patel & sons Dental dealers, Narasimharaja Road, Bangalore city to release for sale one drum of Plaster of Paris for me.

I require Plaster of Paris for my dental work in making artificial sets of teeth. It is essentially used for the service of the public, and without it both the public and the dental surgeon are put to great hardships and inconvenience. I assure you, sir, that the Plaster of Paris, if supplied to me, will be strictly used for dental work only.

Thanking you for the trouble,

Dear sir,

I submit this application to your office for its favorable consideration. Recently the plaster of Paris for dental use has been brought under the control of your office for rationing. As I have an extensive practice consisting chiefly of the military personell I find it very difficult to obtain plaster or Paris for my professional work, I would therefore beg you to consider my case favorably for the grant of one drum of plaster. I use on the average one drum of plaster every four months. I hope that you will be pleased to grant this request. Thanking You,
